Commissioner for Patents

The reply filed on 12/12/03 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Firstly, Applicant did not address the 35 USC 112, second paragraph, rejection of claim language reciting a broad limitation followed by a narrow limitation. See paragraph 16 of the previous office action. Secondly, Applicant has not addressed the Double Patenting rejection presented in the previous office action. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

The response contains additional errors as follows: The amendments to claims 13 and 14 do not coincide with page 7 of Applicant's response. In other words, claims 13 and 14 have not been amended to read as indicated on page 7 of the response. Claims 13 and 14 should be corrected to reflect the language set forth on page 7 of the present response.
